Report of the Programmes

Introduction:

Ours is an era when environmental sustainability is a matter of paramount importance. It is a matter of great pleasure that Government General Degree College, Keshiary leaves no stone unturned to foster consciousness about the need of playing a pivotal role in shaping a sustainable environment for the interest of human civilization at large. The report below delves deep into the various activities undertaken by our college to promote environmental awareness and sustainability among all and sundry. In this context the College has established collaborative MoU with the Kusumpur Gram Panchayat, Keshiary Block, Paschim Medinipur, West Bengal to conduct its social outreach programme for awareness of the public and stakeholders.

Government General Degree College, Keshiary is actively involved in beyond the campus environmental promotion and sustainability activities under following major heads:

A. Tree Plantation Programme

B. Cleanliness Drives among the Community and spreading environmental awareness

C. Organizing awareness programme

D. Local biodiversity accounting and conservation

A brief report on the aspects of these fourfold initiatives undertaken by the College are as narrated below:

A. Tree Plantation Programme:

To restore mother earth into its original environment our college always goes a step ahead as we keep ourselves actively involved in Tree Plantation Programme even beyond campus, of say, in the residential neighbourhood like Telipukur and surrounding roadsides as well.

B. Cleanliness Drives among the Community and spreading environmental awareness:

Cleanliness is next to godliness-so goes a well-known adage. In view of this truth our college always plays a pivotal role as we always keep in touch with the neighbouring through organized clean up drives. The students, faculty members and the local community actively took part with zest and zeal in these drives in the areas like Saldanga bus stand, resting place, Telipukur Village and road etc. Interestingly these drives not only contribute to the immediate repair of the environment but also they foster the much needed awareness for the need of environmental sustainability among one and all.

C. Organizing awareness programme:

Of late environmental education has become a key component of promoting sustainable practices among the masses. GGDC, Keshiary has conducted community drives through seminars and workshops on different environmental topics among the local community. The awareness programme covered subjects like:

- i) Maintaining cleanliness for the interest of enjoying sound health and sound mind.
- ii) Advantages of tree plantation and advantages of using bio fertilizers
- iii) Knowing how to combat dengue, malaria, chikungunya like mosquito-borne diseases

Subject: Proposal for collaboration with Kusumpur Gram Panchayat in carrying out the social service activities of Govt. Gen. Degree College, Keshiary through its NSS Unit under Vidyasagar University for the Financial Year 2022-2023

Madam,

I would like to inform you that the NSS 1 Unit of Government General Degree College, Keshiary is carrying out various social service activities within its limited capacity since its inception in 2017. In this regard the college seeks active collaboration with the Kusumpur Gram Panchayat so that it can extend its social outreach programme to the college adjacent village community. The college performs various social awareness programme on regular basis and through Special Camps as sanctioned by the Vidyasagar University and active engagement of the community associated with Kusumpur Gram Panchayat would be mutually beneficial.

I hereby seek your kind permission for possible collaboration between NSS Unit 1 of Government General Degree College, Keshiary and Kusumpur Gram Panchayat for the Financial Year 2022-2023. A letter of approval from your good office would be highly appreciated. Thanking you in anticipation.

Yours sincerely,
Officer-in-Charge
Govt. Gen. Degree College
Keshiary
